

POLO PARK

AMERICA'S FINEST RACING PLANT

*Opens With
Seven Days of Racing*

ON

FRIDAY, JUNE 12th

ENTRANCE, PORTAGE AVE., WEST OF THE SUBWAY

Every comfort and convenience is provided for the public—graded lawns, sodded or gravelled.

The race track is graded and ditched, with a top of sandy loam that will not become muddy. Equipped with starting shoots for $4\frac{1}{2}$ and 5 furlong races, and for the mile and 70-yard races.

The sodded lawn in front of the grandstand has ample room for 15,000 people, and any point of the track can be seen from any position on the lawn.

The Grandstand, with its refreshment booths, rest rooms, check room, pari-mutuels and paying-out stands, all under one roof, has seating room for 4,500 people.

The paddock is gravelled, and permanent canopy provides protection for the public from rain and sun.

LADIES' REST ROOMS—The grandstand is provided with a mezzanine floor with a ladies' lounge and rest room, size 70x25 feet, and in addition to other comforts, is equipped with special pari-mutuels for ladies only.

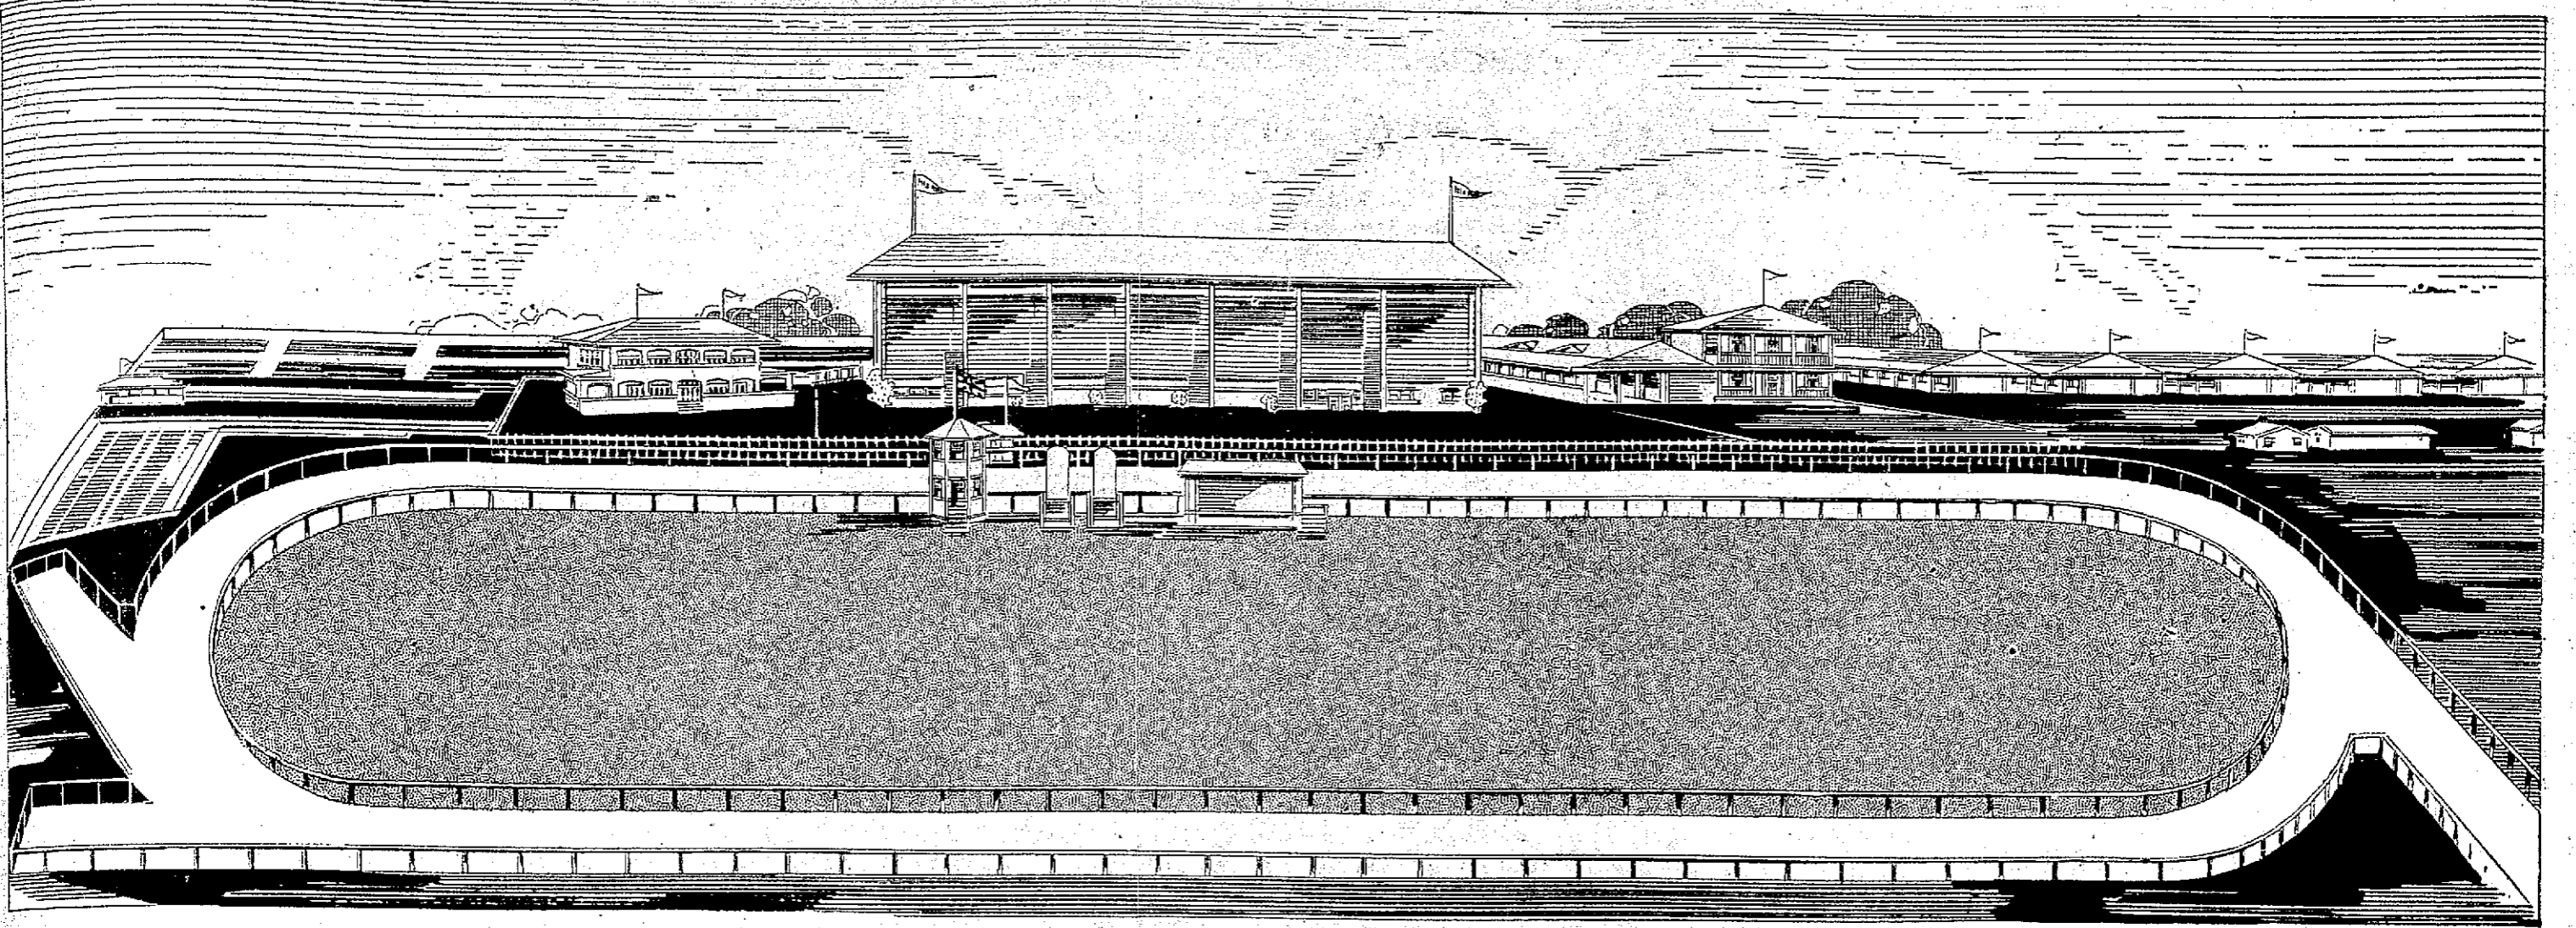

Parking space for automobiles is provided inside the gates.
